

## Bring Your Own Dell

Dear Parent/Guardian:

Welcome to Dell for Education, Dell's **Bring Your Own Dell** (BYOD) program! We are pleased to offer parents/guardians within the Simcoe County District School Board the opportunity to purchase high-quality Dell PCs as a tool to facilitate their student's education. Dell, and the selected items, have been approved by the SCDSB.

Dell for Education ensures students are getting the right equipment for school and home, at the best price, with a direct line of support through Dell. We have created a streamlined process for parents to shop from a recommended list of pre-configured systems that meet curriculum needs, with a comprehensive warranty and protection package to offer you peace of mind.

Our products are built with the best-in-class durability to withstand everyday use, both in and out of the classroom. Each of our recommended laptops also include **4 Year On-Site Service\*** with **Accidental Damage** to protect your student's device against drops, liquid spills, broken/cracked screens, and even electrical surges. As an added benefit, Dell also offers **free shipping** and **affordable monthly payment options<sup>^</sup>** should you wish to finance your purchase. Also take advantage of a special **student accessory bundle**, available at one low price.

Please see the following page for more details on Dell's recommended systems for Simcoe County District School Board students, and instructions on placing your order.

Thank you for considering Dell for your student's education.

Sincerely,  
Dell Education Team
