

A Special *Thank You* to our Educational Support Staff

From June 6 to 10, the Simcoe County District School Board (SCDSB) will be hosting our first annual SCDSB Educational Support Staff Appreciation Week.

This special week has been designated to provide our school communities and system departments with an opportunity to recognize and thank all of our SCDSB educational support staff for the work they do every day to help deliver exceptional education programs and services to our students.

Some of the important services these team members provide to support the goals of *The Simcoe Path* include:

- * delivering educational assistance in the classroom;
- * counselling to meet students' attendance and social needs;
- * supporting technology in schools; and,
- * fulfilling many other categories of system responsibilities.

We value the work our educational support staff provide to our students and system. Thank you for your commitment to public education in Simcoe County!

Debra Edwards
SCDSB Chairperson

Kathi Wallace
SCDSB Director of Education
