

Director's Blog: Perspectives Along the Path of Learning
~ By Kathi Wallace, Director of Education, SCDSB

I am honoured to serve Simcoe County's public education system as Director of Education. Our dynamic learning and teaching community has been an integral part of my life journey, both as a student and as an educator. Thank you for letting me share my thoughts and ideas with you. Feedback is welcome through the email address: webadmin@scdsb.on.ca (While I won't be able to respond to all comments, I will read every one of them.)

New beginnings, celebrations and leadership

Looking back on the first half of the school year, I am very proud of how our students, staff and volunteers have continually demonstrated their generosity, compassion and dedication. From the many successful school events and generous fundraising initiatives in support of our communities, to outstanding personal efforts to achieve academic and other personal goals, the SCDSB family continually interweaves our Commit to Character traits throughout their daily routines.

I invite you to view the rest of my blog in video format, which is posted on our YouTube account [here](#). If YouTube access is unavailable, please click [here](#) to view in a different format.

This month, my focus is on the SCDSB Custodian Appreciation Week and the February Director's Meeting about student leadership.

I look forward to seeing and hearing about more inspirational actions and achievements over the next few months as we move into the last half of 2010-2011. We are having another great year in the SCDSB!

All the best,

Kathi Wallace
Director of Education
