

Our message to you: Happy Family Day!

A Message from the Chairperson of the Board and the Director of Education

This year, Family Day takes place on Monday, February 21. This holiday was created to celebrate family life and provide a welcome opportunity for families to spend valuable time together.

At the Simcoe County District School Board, we recognize and appreciate the importance of families and the key role they play in the education system. Learning begins at home, as parents are their child's first teachers. The support provided by family members enhances and strengthens a student's overall learning experience throughout their entire educational journey.

On behalf of the Trustees and Senior Administration of the Simcoe County District School Board, we wish you a wonderful and safe Family Day holiday! Thank you for all you do to support education every day in Simcoe County!

Debra Edwards, Chairperson of the Board

Kathi Wallace, Director of Education
