## A Special Thank You to Our Educators on World Teachers' Day

*Kathi Wallace,*  
*Director of Education*

Today we join countries all over the world to celebrate teachers.

October 5 is World Teachers' Day, an annual event celebrating the dedication and compassion our teachers and educational staff bring to their central role in guiding students through the life-long learning process.

Teachers have a tremendous impact on the lives of their students. As our students become adults and look back on their school days, they will remember the teachers who inspired them, who walked with them along their educational path, and who helped them become the individuals they grew up to be.

So, on behalf of the SCDSB Trustees and Senior Administration, we say thank you! Thank you for all you do today and every day to enrich and inspire the young people of Simcoe County.

*Debra Edwards, Chairperson & Kathi Wallace, Director of Education*

*“Once children learn how to learn,  
nothing is going to narrow their mind.  
The essence of teaching is to make learning contagious,  
to have one idea spark another.”*

*~ Marva Collins*
