**Equalization of Educational
Opportunity in Simcoe County**

1. The Simcoe County District School Board recognizes that one of its major objectives is to ensure the provisions of equal educational opportunity for all students within its jurisdiction but realizes that it cannot provide all programs which may be requested.
2. The Simcoe County District School Board will consider legitimate requests from students with outstanding talents for assistance in obtaining a program unavailable in this jurisdiction.
3. The request will be thoroughly investigated by the Administrative Council and upon completion of the investigation the request will be submitted, with a recommendation to the Board for final decision.
