## **1. Rationale**

The Ministry of Education requires that all boards develop a Code of Conduct which communicates to all members of the school community, including students, parents, guardians, volunteers, staff and visitors, the expected standards of behaviour.

The Board recognizes that all members of the school community have the right to be safe and to feel safe in their school community. With this right comes the responsibility to contribute to a positive school climate.

The board Code of Conduct has been developed in accordance with the guiding principles of the *Education Act*, Part XIII in order to create a common philosophy and understanding upon which safe learning and working environments can be maintained for all school community members.

## **2. Roles and Responsibilities**

2.1 The Simcoe County District School Board will:

- 2.1.1 develop policies that set out the manner in which schools will implement and enforce the provincial Code of Conduct and all other guidelines that it develops that are related to the provincial standards that promote and support respect, civility, responsible citizenship and physical safety;
- 2.1.2 seek input from school councils their Parent Involvement Committee, their Special Education Advisory Committee, parents, students, staff members and the school community and to review these policies regularly with students, staff, parents, volunteers and the community.

- 2.1.3 establish a process that clearly communicates the provincial Code of Conduct and school board codes of conduct to all parents, students, staff members and members of the school community in order to establish their commitment and support;
  - 2.1.4 ensure an effective intervention strategy and response to all infractions related to the standards for respect, civility, responsible citizenship and safety;
  - 2.1.5 provide opportunities for all staff to acquire the knowledge, skills and attitudes necessary to develop and maintain academic excellence in a safe learning and teaching environment;
  - 2.1.6 whenever possible boards should collaborate to provide coordinated prevention and intervention programs and services, and should endeavour to share effective practices.
- 2.2 Principals, under the direction of the Board, take a leadership role in the daily operation of a school. They provide leadership by:
- 2.2.1 demonstrating care for the school community and a commitment to academic excellence in a safe teaching and learning environment;
  - 2.2.2 communicating regularly and meaningfully with all members of their school community;
  - 2.2.3 holding everyone, under their authority, accountable for their own behaviour and actions;
  - 2.2.4 empowering students to be positive leaders in their school and community.
- 2.3 Teachers and school staff, under the leadership of their principals, maintain order in the school and are expected to hold everyone to the highest standard of respectful and responsible behaviour. As role models, staff uphold these high standards when they:
- 2.3.1 help students work to their full potential and develop their self-worth;
  - 2.3.2 communicate regularly and meaningfully with parents;
  - 2.3.3 maintain consistent standards of behaviour for all students;
  - 2.3.4 demonstrate respect for all students, staff, parents, volunteers and the members of the school community;
  - 2.3.5 prepare students for the full responsibilities of citizenship;
  - 2.3.6 empower students to be positive leaders in their school and community.
- 2.4 Students are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others and for the responsibilities of citizenship through acceptable behaviour. Respect and responsibility are demonstrated when a student:

- 2.4.1 comes to school prepared, on time and ready to learn;
  - 2.4.2 shows respect for himself/herself, for others and for those in authority;
  - 2.4.3 refrains from bringing anything to school that may compromise the safety of others;
  - 2.4.4 follows the established rules and takes responsibility for his or her own actions.
- 2.5 Parents play an important role in the education of their children and can support the efforts of school staff in maintaining a safe and respectful learning environment for all students. Parents fulfil their role when they:
- 2.5.1 show an active interest in their child's school work and progress;
  - 2.5.2 communicate regularly with the school;
  - 2.5.3 help their child be appropriately dressed and prepared for school;
  - 2.5.4 ensure that their child attends school regularly and on time;
  - 2.5.5 promptly report to the school their child's absence or late arrival;
  - 2.5.6 show that they are familiar with the provincial Code of Conduct, the board's code of conduct and school rules;
  - 2.5.7 assist schools in dealing with disciplinary issues, by bringing them to the attention of staff;
  - 2.5.8 encourage and assist their child in understanding and following the rules of behaviour.
- 2.6 The police play an essential role in making our schools and communities safer. Police investigate incidents in accordance with the protocol developed with the local school board. This protocol is based on a provincial model developed by the Ministry of the Solicitor General and the Ministry of Education.
