**Everyone knows someone who
demonstrates good character!**

On May 1, 2008 the SCDSB will be recognizing 100 of our students, employees and community volunteers.

The recognition process begins on February 11, 2008 and ends on February 29, 2008. Recommendations can be made by email, fax or through the courier. The form is available on both the public SCDSB and SCDSB Staff website under Character Education.

It is also attached to this issue of Character Connections and is available through your supervisor.

Please join us in recognizing individuals who exemplify the SCDSB "Commit to Character" focus.
