

Simcoe County Elementary Athletic Council Intermediate Basketball 2010-2011 "EVERYBODY PLAYS"

Thank you to everyone who responded and offered feedback on the one year "Fairplay Trial". Based on this discussion, the new "EVERYBODY PLAYS" format was developed.

***These "EVERYBODY PLAYS" standards are in addition to the County Basketball rules.

The goals of intermediate sports are skill development, participation and fun.

EVERYBODY PLAYS Format:

All players attending the game **MUST** dress and play. Players should play a **minimum** of 3 minutes in each of the first and second half. (6 minutes total) Coaches will determine when and how this occurs for each player. **There will not be timed shifts.** To maximize participation, coaches are encouraged to carry a minimum of 12 players. Coaches will be expected to carry a copy of the "Roster Form" signed by their Principal.

****Reminder**** These rules are for Intermediate only and do not change the Jr. Fairplay rules that many regions use.
