

## **Arts & Culture – Eastview Secondary School**

The Arts and Culture SHSM program at Eastview focuses on all aspects of the Performing Arts. Areas include dance, theatre (drama), instrumental and vocal music, visual arts, media arts and communication technology. Through a variety of courses, students have the opportunity to gain experience in all areas of the Arts, both on stage and behind the scenes. This program promises to be exciting and energetic, and provides students with training and/or certifications that are Arts specific.
