

COLLINGWOOD COLLEGIATE INSTITUTE

Health & Wellness SPECIALIST HIGH SKILLS MAJOR

The Health and Wellness, Specialist High Skills Major is intended to provide students with the chance to explore career opportunities in many areas including health care, aesthetics, paramedics and fitness instruction.

- Customize your high school experience by planning a pathway which matches your interests and goals.
- Explore career options in a Cooperative Education experience.
- Acquire career focussed certifications in high school.

Meet with a guidance counsellor today to discuss your options.
