

MIDLAND SECONDARY SCHOOL

Building Tomorrow's Leaders

Specialist High Skills Major **TRANSPORTATION**

The SHSM at Midland Secondary School focuses on transportation in its broadest sense. Students will have the opportunity to explore all sectors of this exciting field including automotive, trucking, marine, motor sports and aviation. The Southern Georgian Bay area offers all of these opportunities to students who are interested in a career in the transportation sector.

We are very excited about including the opportunity for students in this program to take part in the Dual Credit program with Georgian College: this will provide the students with an opportunity to earn a college-recognized credit as one of the reach-ahead activities included in the SHSM program ...all at no cost to the student!

For more information on the Specialist High Skills Major (Transportation) Program at Midland Secondary School, contact the guidance department or e-mail us at midland@scdsb.on.ca
