SPECIALIST HIGH SKILLS MAJOR

Have exciting things happen for your future...

A Specialist High Skills Major (SHSM) is an exciting new package that allows students to customize their high school experience to suit their interests related to the Hospitality and Tourism sector while working toward their diplomas.

Experience your future in an apprenticeship trade or career field such as:

- Baker
- Cook
- Esthetician
- Hairstylist
- Landscaper/greenskeeper
- Massage therapist
- Recreation vehicle technician
- Special events coordinator
- Tourism small business owner
- Travel counselor
- Ski lift mechanic
- Facilities mechanic/technician

TWIN LAKES SECONDARY SCHOOL

Why consider a Hospitality & Tourism Specialist High Skills Major?

You will have many opportunities to:

- explore a career in the Hospitality and Tourism Industry and refine goals for your desired post-secondary destination,
- improve prospects after secondary school with recognition of a SHSM,
- plan for success in a particular sector by learning marketable job skills,
- interact in a variety of experiential learning environments,
- develop personal qualities such as leadership, maturity, confidence, self-esteem, and cooperation with others,
- obtain certification for the workplace,
- apply, in a working environment, the knowledge, skills and practices learned for Tourism and related careers,
- complete Cooperative Education credits at local placements while accumulating possible apprenticeship hours, and
- graduate with a SHSM designation on the Ontario Secondary School Diploma.

The program is open to all secondary school students who are sincerely interested in “trying on” a career.

Exciting opportunities await you!

Please contact the Cooperative Education or Guidance Department for further information.
