

Presenting at an SCDSB Board Meeting

Thank you for taking an active role in Simcoe County's public education process.

All Standing Committee, Board and Special Board Meetings are held at the SCDSB Education Centre in Midhurst (1170 Hwy. 26, across from the museum).

The public is invited to present at these meetings. These presentations are called delegations. Regular Board Meetings will hear up to 6 delegations at each meeting, with no more than 4 on the same topic.

Before you decide to present to the Board, make sure you have already tried to resolve your concern through staff, principals, superintendents, trustees or Standing Committees.
