

Presenting at an ARC Special Board Meeting

Thank you for taking an active role in Simcoe County's public education process.

Board meetings are held at the SCDSB Education Centre in Midhurst (1170 Hwy. 26, across from the museum).

As a part of each Pupil Accommodation Review, Special Board Meetings are scheduled where the public is invited to present to the Board in regards to the Pupil Accommodation Review. These presentations are called delegations. Up to 20 delegations will be heard at one meeting.

These meetings are open to the public, video-recorded and live streamed online at www.scdsb.on.ca. These recordings remain online for future access.

How to request to make a delegation

All requests to make a delegation must be submitted by 1 p.m. one week prior to the meeting, and must include a copy of your presentation and/or outline of what the presentation will contain. Requests are reviewed and scheduled in the order they are received by email.

Submit your delegation request to:

Jennifer Henry, Executive Assistant to the Board
Email: jhenry@scdsb.on.ca

If you have any questions, please call Jennifer Henry at 705-734-6363, ext. 11231.

Your delegation

You are allowed up to 10 minutes for your delegation. The 10 minutes includes time for trustees to ask questions of clarification. You may make your delegation either by yourself or with one other person.

Remember to be respectful and courteous. As it is a formal meeting, all comments must be addressed to the Chairperson.

Delegations made to the Board at ARC Special Board Meetings will be received as information only.
