The Human Resources Standing Committee and Program Standing Committee meetings are held the second Wednesday of every month. All trustees are members of all standing committees. These meetings begin at 6 p.m.

SAL (Supervised Alternative Learning) Committees

SAL Meetings are normally held six to eight times per year and are organized according to secondary schools' attendance areas. A member of the community, an attendance counsellor, a superintendent and a trustee meet to review the application of parents/guardians on behalf of students under the age of eighteen who wish to be excused from attending school. SAL Committees typically meet during the day for two to three hours to hear student applications.

Suspension and/or Expulsion Appeals and Hearings

Three trustees are required for these meetings. The purpose of these meetings is to hear the appeal of students who have been suspended or those who are recommended for expulsion. These meetings are held as needed; though the timelines are strictly regulated. The meetings are held at the Education Centre, most often during the day, with the parent(s)/guardian(s) of the suspended student, the suspended student, the principal of the school, the superintendent of the school and the Associate Director or delegate. We try to schedule these meetings on the same evenings as Board meetings although that is not always possible due to the aforementioned strict timelines that must be followed. These meetings typically last approximately an hour and a half. A preparation meeting is scheduled 30 minutes prior to the hearing to review the Statutory Powers and *Procedures Act*.

Special Education Advisory Committee (SEAC)

The *Education Act* requires each board to establish a SEAC. Three trustees are required to serve as members of the committee. Ten meetings per year are required under legislation. These meetings are usually held each month during the school year; typically, they begin at 6:30 p.m. and end by 8:30 p.m.

The Trustee/Teacher Relations Committee is established in the first month of the contract year. It meets up to three times per year, at the written request of either party. The purpose of the Committee is to provide a forum for the discussion of topics of interest to either party, which are not in dispute, in order to promote the best possible relations between the Board and its staff. There are two trustee members on each of the elementary and secondary panel.

First Nations Education Advisory Committee

These half-day meetings are held four to five times per school year. The three member groups (the Beausoleil First Nation, the Chippewas of Rama First Nation and the Simcoe County District School Board) host these meetings on a rotational basis. Trustee representation includes the First Nations' representative trustee and two other trustees. Senior staff and participating principals attend these meetings, but are not voting members.

The Trustee Ontario Principals' Council Liaison Committee (elementary and secondary) consists of two principals, two vice-principals, two trustees and one supervisory officer. This committee provides a forum for the discussion of topics of interest to either party, which are not in dispute, in order to promote the best possible relations between the Board and its staff. The committee will meet twice per school year or more frequently as mutually determined.

Accessibility Advisory Committee

There are approximately five of these meetings throughout the school year. The purpose of the *Accessibility for Ontarians with Disabilities Act, 2005* (AODA) is to improve opportunities for people with disabilities. The committee advises on the identification, removal and prevention of barriers to their full participation in society. The AODA requires each school board to prepare an annual accessibility plan; to consult with people with disabilities in the preparation of this plan; and to make the plan public.

Parent Involvement Committee

These meetings are typically held once per month throughout the school year. The Ontario Parent Involvement Policy outlines the requirements for the establishment of the board level Parent Involvement Committee. This committee is to work collaboratively with the school board, providing communication amongst parents/guardians, senior administration and trustees. The mandate of the Parent Involvement Committee is to: support, encourage and enhance meaningful parent/guardian engagement at the board level to improve student achievement and well-being; provide information and advice to the board on parent/guardian engagement; communicate with and support school councils; and undertake activities to help parents/guardians support their children's learning at home and at school.
